Forgram Plan Funding

We are a state authorized charter and only have one school. Funds will be used to support all students and staff to increase academic achievement in the area of reading, writing, and math, through improved instruction, intervention support, material purchases, supportive assessment practices, and professional development. Much as in previous years, in collaboration with our school leadership team and teachers, and input from our families, we identified the need to use title and funds to support teacher and student support with materials and professional development. The student data that we used was DRA, EDL, Istation, Istation Espanol, NWEA Math, NWEA Reading, NWEA Espanol, IRLA and ENIL and our local Biliteracy Trajectory Tool, teacher and leadership team feedback sessions, administrator observations as well as community input.

# Fine Arts Education Act (FAEA) 2024-2025 Application for K-6 Funding

Due date: May 31, 2024 by 9:00 PM

The purpose of this form is to solicit applications for public education funds through the Fine Arts Education Act (22–15D NMSA 1978).

The Fine Arts Education Act (FAEA) was enacted to provide funding to support school districts to offer opportunities for elementary school students to participate in arts education programs, including dance, media arts, music, theatre, and visual arts in order to encourage cognitive and affective development by

- training students in complex thinking and learning;
- focusing on a variety of learning styles and engaging students through success;
- helping students to devise creative solutions for problems;
- providing students with new challenges; and
- teaching students to work cooperatively with others and to understand and value diverse cultures.

This is an opportunity to develop a unique arts program plan, using measurable goals and best practices, effectively connecting students to the curriculum in dance, media arts, music, theatre, and visual arts education programs. Applicants are encouraged to make use of, and incorporate, art resources available within their communities and the ESSA (Title I, Title IV-A),

STEM/STEAM, 21st Century, Title I and IV-B, K5 Plus, accelerated learning, community/school funds, ELT, extended learning time, and other funds to enhance the program. ## Goals and Objectives

Arts Education and Equity: Meeting the Needs of All Students

## Pedagogy \*

How will these funds be used to support art education that is culturally and linguistically relevant? In what way is art taught via student-centered pedagogy?

The music classes at SABE not only offer a comprehensive curriculum in Spanish that includes traditional songs from Latin American countries but also actively involve families by incorporating their traditional songs into the lessons. The program further ensures that students' musical preferences are recognized by incorporating contemporary music into the curriculum. By fostering creativity and self-expression, the music teacher encourages students to explore rhythm, form, and lyrics through their own musical creations, ultimately aiming to develop their improvisation skills in voice, dance, and with instruments. This holistic approach to music education at SABE enables students to engage with diverse musical influences and nurture their musical talents.

## Goals and Objectives \*

List three or more goals and measurable objectives for your visual arts, music, dance, and/or theater programs that are aligned to NM Core Arts Standards, National Arts Standards, and/or Elementary Secondary Education Act (ESSA).

Goal: Develop students' music literacy and critical listening skills.

Objective: Throughout the year, students will be able to identify and describe musical elements such as melody, harmony, rhythm, dynamics, and form in a variety of musical works from different genres, cultures and time periods. They will demonstrate this knowledge through class discussions and through improvisation, composition and performance.

Goal: Foster students' creativity and musicianship through performance opportunities.

Objective: Students will showcase their musical abilities by participating in individual and group performances throughout the school year. They will receive constructive feedback from peers

and teachers to improve their technical proficiency, expressiveness, and composition skills.

Goal: Foster an appreciation for diverse musical genres and cultural traditions.

Objective: Students will engage with music from various cultural backgrounds and time periods, critically analyzing how music reflects societal values, historical contexts, and artistic innovations. This will be demonstrated through class discussions, presentations, and performances that showcase an understanding.

How frequent are your arts classes, and what is the length of class time? \*

Twice a week, 45 minutes per class

What formative and summative assessments are you using to measure students' learning in the arts. \*

Formative and summative assessments are used throughout the year to assess students' skill in creating, performing, responding, and connecting. Formative assessments include levels of participation, peer to peer responses, embedded assessments during games and activities, and written activities. Summative assessments are given three times a year to assess one or more of the National Arts Standards. Summative assessments include performances, composition, and more focused skills such as pitch or rhythm accuracy and reading.

Professional Development: Describe the plan for professional development, training, and/or technical assistance (suggested three to five percent of FAEA funding) in the arts that will be provided for arts teachers and administrators. \*

\*These include, but are not limited to collaboration with arts associations, participation in local, state, regional and national conferences, workshops. Discuss presenting, participating, and collaborations.

Music teacher will attend NMAOSA workshops (3-5 per year) (\$30/workshop)

Music teacher will participate in Kennedy Center /NMArt workshop offerings as provided. (free)

Music teacher will attend and present at NM All-State Music Conference. (\$80 dues +\$55 registration)

Music teacher will attend AOSA National Conference (\$1200 - lodging, airfare, registration) Music teacher will attend Modern Band Summit, July, 2024 (\$250 registration + \$300 food, lodging, and transportation)

Music teacher will work with Focus5 to provide school wide training Classroom culture and arts integration

## Fine Arts Advisory Council (FAAC) \*

Briefly summarize below how your FAAC assists in the review of measurable goals and priorities of the program and makes appropriate recommendations for changes or revisions in the program plan and alignment to the budget.

The FAAC meets twice annually to develop/review the goals and priorities of the program, and to make recommendations for changes or revisions.

The FAAC consists of 2-4 parents, minimum of 1 staff member, and 1 student in grade 6-8. The FAAC helps develop/revise a parent satisfaction survey to be administered annually that will reflect the satisfaction with, and elicit suggestions for the music program.

# Licensed school instructors and supervisors to insure excellence in teaching and learning arts education. \*

Describe below how your program ensures the use of licensed instructors and, if unavailable, detail how the applicant complies with the requirement that—when an art resource, non-licensed person provides instruction for the arts program—a licensed teacher (the teacher of record) is supervising the program, the instruction, and the provider, including lesson planning.

The music program is taught by a Level III, National Board Certified music teacher. The teacher is Orff Certified, has completed Kodaly I, Modern Band 101 and 102. With endorsements in Performing Arts, Gifted, Bilingual, TESOL, Reading, and a Special Education License, the teacher can incorporate support for all students, and model arts integration for classroom teachers. The music teacher is responsible for planning, teaching, and maintaining and acquiring instruments and materials.

## Program Plan Summary \*

Include below a detailed narrative description and self-evaluation of your instructional program, instructors, and evaluation plan/compliance elements. Discuss any collaborative efforts (community/district/region/state).

2023-3024 marks the third year of the Music program at SABE. With a strong foundation now in place, students have had more opportunities to explore complex music in the areas of creating, performing and evaluating. Using a gradebook App, the teacher has streamlined the use of embedded formative assessment, with a particular focus on the use of accurate pitches in singing voices. The use of singing voice has grown from 53% to 75% over the course of the school year, and most students are able to identify whether they or a peer are singing accurately.

Through a collaboration with AMBL (Albuquerque Modern Band Lab), the teacher has learned how to better prepare students, choose songs, and guide students. In addition, 6th graders have begun to learn guitar and keyboard skills.

Middle school students performed at 4 nursing facilities, and have begun to form connections with the residents.

In collaboration with the PE teacher, the entire school learned the School Choice Dance and performed it with the middle school band. The entire school also learned Take Me Out to the Ball Game in Spanish, and the video will be shown during an Isotopes game.

The Music Teacher presented at NMMEA (New Mexico Music Educators Association)
Conference, NMAOSA (NM American Orff Association) Chapter Share, NMABE (New Mexico Association of Bilingual Education), and La Cosecha, a national Bilingual Education conference.

# PROFESSIONAL SERVICES AGREEMENT (LEGAL SERVICES)

This Professional Services Agreement is entered into between Sandoval Academy of Bilingual Education, a New Mexico public charter school, and Charter Law Office, P.C., a New Mexico professional corporation, this \_\_\_\_\_ day of \_\_\_\_\_\_\_\_, 2024. The parties agree as follows:

- 1. Sandoval Academy of Bilingual Education and its governing body ("School") hereby retains Charter Law Office, P.C. (successor in interest to Matthews Fox, P.C. as of July 1, 2024 by virtue of name change), (hereinafter "Counsel"), when approved by the School's designee, as legal counsel for the purpose of representing the School in legal matters relating to the charter school's relationship with its authorizer or such other matters. Counsel is retained on an as-requested, as-assigned basis for particular matters referred to it by the School's representative, and not as general counsel to the School. Matters to be worked on by Counsel shall be referred by the designated member of the School's governing body or other designee. Counsel will not be expected to work on any matter not so referred to them, although in an emergency, if issues of importance arise before authorization can be obtained from the School designee, Counsel is authorized to act so as to protect the interests of the School to the extent necessary and reasonable in the circumstances. Counsel reserves the right to decline representation in particular matters beyond Counsel's area of expertise or experience, or where Counsel's workload does not permit undertaking additional matters, in the exercise of Counsel's professional judgment.
- 2. For their services, Counsel will bill at the rate of \$275.00 per hour for standard legal services, and will bill at \$375.00 per hour for services related to real estate financing/private bond transactions, plus applicable gross receipts taxes. To the extent reasonable and necessary, counsel may utilize the services of contract attorneys at \$200.00 per hour and/or paralegals at \$130.00 per hour, plus applicable gross receipts taxes. Monthly statements shall be sent in care of the School's Accounting Office at the address stated in paragraph 19 or as otherwise directed by the head administrator. In addition to attorney fees, Counsel's statements may include reasonable and necessary expenses of representation, including but not necessarily limited to extraordinary clerical services and supplies, conference call charges, travel at coach or government rates, on-line research expenses, copying, postage, and express mail service costs. Ordinary overhead of Counsel will not be charged. If Counsel is required to travel to the school's location or any other out-of-Albuquerque location, the Firm will charge the applicable hourly rate for travel time, plus mileage at the State of New Mexico's approved rate or air travel at actual coach rates.
- 3. Counsel will submit a detailed statement accounting for all services performed and expenses incurred. If the School does not dispute the statement within thirty days, client shall make payment in full. If the School finds that the services are not acceptable, within thirty days from receipt of Counsel's invoice, School shall provide Counsel a letter of exception explaining its objection to the services, and outlining steps Counsel may take to provide remedial action. Thereafter, if the satisfactory correction is made by Counsel to the invoice, then School shall pay Counsel the total amount of the invoice within thirty days after the date of acceptance. If payment is made by mail, the payment shall be deemed tendered on the date it is postmarked. Counsel may charge interest not to exceed 18 percent annualized interest for failure to make payment within the time specified herein.
- 4. Upon request, Counsel will give a verbal estimate of the fees and costs which may result from the firm's efforts. It is understood that estimating legal costs is notoriously difficult

and, therefore, Counsel may upon request of the School periodically advise of any changes in the initial estimate that may be necessary.

- 5. The School agrees to make every effort to avoid entering binding contractual or other legal obligations without prior review of Counsel, and is advised to notify Counsel immediately upon any possible claims against the school or any of its personnel for which the School intends to retain Counsel's services.
- 6. Counsel shall be empowered to file lawsuits or administrative claims only upon resolution or prior written approval of the School's governing body.
- 7. The term of this agreement shall begin July 1, 2024 and be for the fiscal year ending June 30, 2025 or a shorter term as agreed to by Counsel and the School. Either party may terminate the agreement by notifying the other in writing. Counsel shall be entitled to collect unpaid fees and expenses to the date of termination, plus reasonable fees and expenses for winding up and transition costs.
- 8. This letter agreement is contingent upon sufficient appropriations and authorization being made by the State of New Mexico Legislature for the performance of this agreement. If sufficient appropriations and authorization are not made by the Legislature, this agreement shall terminate upon written notice by the School to Counsel.
- 9. Counsel's status shall be at all times as an independent contractor performing professional services for the School, and shall not be considered an employee of the School. Counsel agrees that the services provided pursuant to this agreement are personal and, consequently, this agreement is not assignable. School authorizes Counsel to represent School with respect to matters undertaken by the Firm. Counsel agrees that the Firm may not subcontract any services requested pursuant to this Agreement without prior written consent of the School.
- 10. Counsel agrees to maintain, for at least three years, detailed time records that indicate the date time and nature of services rendered. These records shall be subject to inspection by the School upon reasonable notice. Counsel will request a written release from the School in the event that such records and documents are to be provided to the School district's auditor, the Public Education Department's auditor, or the New Mexico State Auditor.
- 11. Any confidential information provided to or developed by the Counsel in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by the Counsel without the prior written approval of the School.
- 12. This Agreement shall not be altered, changed or amended except by instrument in writing executed by the parties hereto.
- 13. The Procurement Code, NMSA 1978, Sections 13-1-28 through 13-1-199, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for illegal bribes, gratuities and kickbacks.
- 14. Counsel agrees to abide by all applicable federal and state laws and rules and regulations, and executive orders of the Governor of the State of New Mexico, pertaining to equal employment opportunity. In accordance with all federal and New Mexico state laws, Counsel assures that it will not exclude any person from the Firm's employment, benefits thereof or subject its employees to discrimination on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity. If Counsel is found not to be in compliance with these requirements during the life of this Agreement, Counsel agrees to take appropriate steps to correct these deficiencies.
- 15. The laws of the State of New Mexico shall govern this Agreement, without giving effect to its choice of law provisions. Venue shall be proper only in a New Mexico court of

competent jurisdiction in accordance with NMSA 1978, Section 38-3-1 (G). By execution of this Agreement, Counsel acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Agreement.

- 16. Counsel agrees to comply with New Mexico's state laws and rules applicable to workers compensation benefits for its employees. If Counsel fails to comply with the New Mexico Workers Compensation Act when required to do so, this Agreement may be terminated by the School.
- 17. If any term or condition of this Agreement shall be held invalid or unenforceable, the remainder of this Agreement shall not be affected and shall be valid and enforceable.
- 18. A party's failure to require strict performance of any provision of this Agreement shall not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision. No waiver by a party of any of its rights under this Agreement shall be effective unless express and in writing, and no effective waiver by a party of any of its rights shall be effective to waive any other rights.
- 19. Any notice required to be given to either party by this Agreement shall be in writing and shall be delivered in person, by express courier service or by U.S. mail, either first class or certified, return receipt requested, postage prepaid, or by electronic email with verification of delivery, as follows:
