Scott moved and Mario seconded the motion to approve the Wellness Plan with the proposed amendments. The motion was passed unanimously.

i. Executive Director to close school due to staff shortages or excessive student absences (COVID, Flu, RSV, etc.)

Jackie discussed all of the various illnesses that students and staff have been experiencing over the past month. She reviewed the attendance reports for staff and students. We have very few subs in the pool that we utilize on a regular basis. Becky inquired about the amount of notice that families would receive of a potential closure. Jackie's intent is to provide the notice in the evening prior to the day of the closure.

Scott moved and Lisa seconded the motion to allow the Executive Director the discretion to close the school if necessary due to staff shortages or excessive student absences. The motion was passed unanimously.

 - i. Wellness Plan
 - ii. Safe Schools Plan

The Policy Committee will reconvene in the month of January 2023. Both the Wellness Plan and the Safe Schools Plan have been reviewed and discussed.

- b. Governing Board Training Kelly Callahan
 - i. Survey: Focus Priorities

Kelly would like the Board members to review the information that was sent regarding the survey results. Some trends of note were Board recruiting and locating a new building for SABE. She also sent a template for a sample Governing Board calendar. Once the Focus Priorities are in place, upcoming items can be placed on the calendar.

c. Charter Amendment to Eliminate 8th grade from our grade level span for the 2023-2024 school year Jackie discussed the challenges of providing a quality educational program for our Middle School students. We currently have ten students in 8th grade, and ten students in 7th grade. We have been able to maintain a population of 23-25 students in 6th grade. For a variety of reasons, parents choose to send their children to traditional Middle Schools for 7th and 8th grades. Jackie would like to eliminate 8th grade for the 2023-2024 school year, and 7th grade for the 2024-2025 school year.

Scott suggested the possibility of finding two buildings together in an area and using one of those buildings as a Middle School.

Kelly commented that it was likely too late to make any changes for the upcoming school year. The Board would need to vote at a future meeting, and Jackie would need to notify the PEC of the proposed change. SABE would need to offer support in registering our 7th grade students at other schools in the area.

Becky discussed the possible impact on our 6th grade enrollment due to the fact that families may choose to send their children to a traditional Middle School that services grades 6-8.

Brennan offered his opinion that we should continue to provide a Middle School program for a longer period of time before making any decisions.

Lisa suggested the possibility of an interest survey to be completed by the families. Jackie agreed to add some questions to a pre-existing survey that she intends to send to families.

The Board would like to see the type of data that would be presented to the PEC in order to make an informed decision.

No action will be taken at the present time, and this item will be added as an Action Item on next month's agenda.

IX. Principal's Update

1. Jackie shared information under the headings of "Fiscal & Operations" and "Instruction & Data" to the Governing Board. Report attached.

- 10. OTHER POTENTIAL BUYERS. Buyer acknowledges that Broker may make known to other buyer clients or customers the same or similar properties as Buyer is seeking to acquire and Buyer consents to this activity of Broker.

11. NON-DISCRIMINATION.

BUYER BROKER AGREEMENT - 2021

- 15. MEDIATION. If a dispute arises between the parties relating to this Agreement, the parties agree to submit the dispute to mediation. The parties will jointly appoint a mediator and will share equally the costs of the mediation. If a mediator cannot be agreed on or mediation is unsuccessful, the parties may enforce their rights and obligations under this Agreement in any manner provided by New Mexico law.
- 16. GOVERNING LAW AND VENUE. This Agreement is to be construed in accordance with and governed by the internal laws of the State of New Mexico without giving effect to any choice of law rule that would cause the application of the laws of any jurisdiction other than the internal laws of the State of New Mexico to the rights and duties of the parties. Each party hereby irrevocably consents to the jurisdiction and venue of the state and federal courts located in the county in which the Brokerage is located in connection with any claim, action, suit, or proceeding relating to this Agreement and agrees that all suits or proceedings relating to this Agreement shall be brought only in such courts.
- 17. FOREIGN SELLERS. The disposition of a U.S. Real Property interest by a Foreign Person is subject to the Foreign Investment in Real Property Tax Act of 1980 (FIRPTA) income tax withholding. FIRPTA applies if the Seller is a Foreign Person, Foreign Corporation or Partnership, or non-resident Alien, unless BOTH the purchase price \$300,000 or less AND Buyer intends to use the Property as Buyer's primary residence. Federal law requires that if Seller is a Foreign Person, then Buyer must withhold ten percent (10%) of the amount realized from the sale of the Property and remit it to the Internal Revenue Service (IRS) within twenty (20) days of Closing unless the Seller provides written confirmation from the IRS that Seller is not subject to withholding. Generally speaking, the "amount realized" is the sales/purchase price of the Real Estate. If Seller is Non-Foreign, the Seller must provide proof of Non-Foreign Status by fully executing the Affidavit of Non-Foreign Seller (NMAR Form 2303) and delivering it to either the Buyer or to a Qualified Substitute. Under FIRPTA, if Seller is a Foreign Person and Buyer fails to withhold taxes, the Buyer may be held liable for the tax, in addition to other fines and penalties and the Buyer's Broker may be fined up to the amount of this commission. (See NMAR Form 2304 Information Sheet FIRPTA).
- 18. FARMS AND RANCHES. The Agricultural Foreign Investment Disclosure Act (AFIDA) requires disclosure of a transfer of interest in certain agricultural land (including farms and ranches) to or from a foreign person to the Agricultural Stabilization and Conservation Service within 90 days of the transaction, on a form provided by the ASCS. AFIDA does not apply to agricultural land if in the aggregate it is not more than 10 acres and if the gross annual receipts from sale of farm, ranch, farming or timber products do not exceed \$1000.00. A "foreign person" is certain foreign corporations or a person who is not a citizen of the U.S. or certain of its possessions, who is not a permanent resident and who is not paroled into the U.S. Buyer is □is not □ a foreign person as defined in this paragraph.
- 19. ATTORNEY FEES. If either party uses the services of an attorney to enforce the party's rights or the other's obligations under this Agreement, the damages will include attorneys' fees and costs. Time is of the essence of this Agreement.
- 20. ENTIRE AGREEMENT. This Agreement contains the entire Agreement between the parties relating to the subject matter and supersedes any previous agreements, arrangements, undertakings or proposals, oral or written. This Agreement may be varied only by a document signed by both parties.
- 21. FORCE MAJEURE. Neither party shall be liable for delay or failure to perform any obligation under this Agreement if the delay or failure is caused by any circumstance beyond their reasonable control, including but not limited to, acts of God, war, civil unrest or industrial action.
- 22. SEVERANCE. If any provision of this Agreement is held invalid, illegal or unenforceable for any reason by any court of competent jurisdiction, such provision shall be severed and the remainder of the provisions hereof shall continue in full force and effect as if this Agreement had been agreed with the invalid illegal or unenforceable provision eliminated.
- 23. ADDITIONAL TERMS.

Buyer broker commissions are traditionally paid by the Seller or the Listing Broker. If Buyer agrees to pay commissions, they will not exceed \$60,000 to comply with public school procurement requirements.

The Policy Committee will reconvene in the month of January 2023. Both the Wellness Plan and the Safe Schools Plan have been reviewed and discussed.

- b. Governing Board Training Kelly Callahan
 - i. Survey: Focus Priorities

Kelly would like the Board members to review the information that was sent regarding the survey results. Some trends of note were Board recruiting and locating a new building for SABE. She also sent a template for a sample Governing Board calendar. Once the Focus Priorities are in place, upcoming items can be placed on the calendar.

c. Charter Amendment to Eliminate 8th grade from our grade level span for the 2023-2024 school year Jackie discussed the challenges of providing a quality educational program for our Middle School students. We currently have ten students in 8th grade, and ten students in 7th grade. We have been able to maintain a population of 23-25 students in 6th grade. For a variety of reasons, parents choose to send their children to traditional Middle Schools for 7th and 8th grades. Jackie would like to eliminate 8th grade for the 2023-2024 school year, and 7th grade for the 2024-2025 school year.

Scott suggested the possibility of finding two buildings together in an area and using one of those buildings as a Middle School.

Kelly commented that it was likely too late to make any changes for the upcoming school year. The Board would need to vote at a future meeting, and Jackie would need to notify the PEC of the proposed change. SABE would need to offer support in registering our 7th grade students at other schools in the area.

Becky discussed the possible impact on our 6th grade enrollment due to the fact that families may choose to send their children to a traditional Middle School that services grades 6-8.

Brennan offered his opinion that we should continue to provide a Middle School program for a longer period of time before making any decisions.

Lisa suggested the possibility of an interest survey to be completed by the families. Jackie agreed to add some questions to a pre-existing survey that she intends to send to families.

The Board would like to see the type of data that would be presented to the PEC in order to make an informed decision.

No action will be taken at the present time, and this item will be added as an Action Item on next month's agenda.

BUYER BROKER AGREEMENT - 2021

- 15. MEDIATION. If a dispute arises between the parties relating to this Agreement, the parties agree to submit the dispute to mediation. The parties will jointly appoint a mediator and will share equally the costs of the mediation. If a mediator cannot be agreed on or mediation is unsuccessful, the parties may enforce their rights and obligations under this Agreement in any manner provided by New Mexico law.
- 16. GOVERNING LAW AND VENUE. This Agreement is to be construed in accordance with and governed by the internal laws of the State of New Mexico without giving effect to any choice of law rule that would cause the application of the laws of any jurisdiction other than the internal laws of the State of New Mexico to the rights and duties of the parties. Each party hereby irrevocably consents to the jurisdiction and venue of the state and federal courts located in the county in which the Brokerage is located in connection with any claim, action, suit, or proceeding relating to this Agreement and agrees that all suits or proceedings relating to this Agreement shall be brought only in such courts.
- 17. FOREIGN SELLERS. The disposition of a U.S. Real Property interest by a Foreign Person is subject to the Foreign Investment in Real Property Tax Act of 1980 (FIRPTA) income tax withholding. FIRPTA applies if the Seller is a Foreign Person, Foreign Corporation or Partnership, or non-resident Alien, unless BOTH the purchase price \$300,000 or less AND Buyer intends to use the Property as Buyer's primary residence. Federal law requires that if Seller is a Foreign Person, then Buyer must withhold ten percent (10%) of the amount realized from the sale of the Property and remit it to the Internal Revenue Service (IRS) within twenty (20) days of Closing unless the Seller provides written confirmation from the IRS that Seller is not subject to withholding. Generally speaking, the "amount realized" is the sales/purchase price of the Real Estate. If Seller is Non-Foreign, the Seller must provide proof of Non-Foreign Status by fully executing the Affidavit of Non-Foreign Seller (NMAR Form 2303) and delivering it to either the Buyer or to a Qualified Substitute. Under FIRPTA, if Seller is a Foreign Person and Buyer fails to withhold taxes, the Buyer may be held liable for the tax, in addition to other fines and penalties and the Buyer's Broker may be fined up to the amount of this commission. (See NMAR Form 2304 Information Sheet FIRPTA).

The Agricultural Foreign Investment Disclosure Act (AFIDA) requires disclosure of a transfer of interest in certain agricultural land (including farms and ranches) to or from a foreign person to the Agricultural Stabilization and Conservation Service within 90 days of the transaction, on a form provided by the ASCS. AFIDA does not apply to agricultural land if in the aggregate it is not more than 10 acres and if the gross annual receipts from sale of farm, ranch, farming or timber products do not exceed \$1000.00. A "foreign person" is certain foreign corporations or a person who is not a citizen of the U.S. or certain of its possessions, who is not a permanent resident and who is not paroled into the U.S. Buyer is □is not □ a foreign person as defined in this paragraph.
- 19. ATTORNEY FEES. If either party uses the services of an attorney to enforce the party's rights or the other's obligations under this Agreement, the damages will include attorneys' fees and costs. Time is of the essence of this Agreement.
- 20. ENTIRE AGREEMENT. This Agreement contains the entire Agreement between the parties relating to the subject matter and supersedes any previous agreements, arrangements, undertakings or proposals, oral or written. This Agreement may be varied only by a document signed by both parties.
- 21. FORCE MAJEURE. Neither party shall be liable for delay or failure to perform any obligation under this Agreement if the delay or failure is caused by any circumstance beyond their reasonable control, including but not limited to, acts of God, war, civil unrest or industrial action.
- 22. SEVERANCE. If any provision of this Agreement is held invalid, illegal or unenforceable for any reason by any court of competent jurisdiction, such provision shall be severed and the remainder of the provisions hereof shall continue in full force and effect as if this Agreement had been agreed with the invalid illegal or unenforceable provision eliminated.

They are responsible for the new construction of the ASK Academy in 2015, the Estancia Valley Classical Academy, the Gordon Bernell Charter School, the International School at Mesa del Sol, and SAMS Academy in Ventana Ranch. The majority of their facilities are 30,000-40,000 square feet.

One year is required to get all of the permits and financial documents in place. They assist with "building to the school's budget", and offer a Maximum Price Guarantee Contract.

- c. Governing Board Training Kelly Callahan
 - i. Survey: Focus Priorities

Kelly shared the areas of strength and opportunities from the Governing Board's self-evaluations. The Board works well as a team and is focused on SABE's mission. Recruitment for new members is an opportunity. The Board's next step should be to agree on the top 3-5 areas of focus going forward. Those specific areas should be addressed at every Governing Board meeting.

VII. Principal's Update

a. Culturally & Linguistically Responsive Practices (Mrs. Rodriguez & Mrs. Reyes)

i. Alignment to SABE's Mission

Our focus is to meet the needs of all of our students (at-risk, economically disadvantaged, students with disabilities, English Language Learners).

ii. Fiscal Alignment

All funds are utilized to support SABE's mission with its focus on language development. Student recruitment efforts are focused on diverse groups of students. We are looking to find a new facility that fosters student growth and provides additional student opportunities.

iii. Instructional Practices and Development

Our Spanish teachers hold a Bilingual Endorsement. Our English Language Learners (ELL) receive additional support from teachers who hold a TESOL Endorsement. Professional Development opportunities are focused on SABE's Dual Language mission. Staff members continue to learn about best practices for meeting the needs of all students.

iv. Assessment

Our middle-of-the-year testing is currently taking place. All teachers have been GLAD trained. Staff are working on analyzing data to make informed decisions for students.

v. Academic Support

Students receive additional support through Reading and Math Interventionists, ELL services, and Special Education services.

b. Fiscal & Operations

Our current enrollment is 227 students. We will not meet our projection of 245 for this school year. Jackie and Mario are working with the State Legislature to apply for additional capital outlay funds. Jackie is attempting to increase our carryover funds for our lease purchase agreement.

We are working with a marketing firm to increase student recruitment. We are including staff, students, families, and PTA in these efforts.

c. Instruction & Data

i. Special Services Update

Mrs. Reyes discussed our progress toward creating our school's Equity Council. She has begun to invite parents and students to take part in this group.

There were 53 respondents. The majority were from our Kindergarten program. Families say that they are returning to SABE primarily for the Dual Language program.
